I want to thank both of you for taking the time out of your day to confer on this 26f conference, I really appreciate your input and suggestions. However, after reviewing some of the changes offered, I would feel more comfortable with a Confidentiality Agreement. Attached to this email you will find a copy of my proposed Confidentiality Agreement.

Mr. Bigelow,

Because we retain our right to all defenses of privilege I will not agree to execute this agreement. It is irrelevant in light of our right to retain all claims of privilege.

If you now suddenly do not agree to the 26(f) statement we 1) need another conference call (recommended), or 2) advise the Court that we could not reach agreement (not recommended), and/or 3) advise the Court and the state bar that you have a non-attorney preparer putting all of these documents together for you, and providing legal advice to you in the course of this litigation, and that after the fact this person has told you not to execute a document to which we all previously agreed. Please provide us with this person's full name.

I will not file a joint document without agreement by all parties. Please advise what you (or your non-attorney legal advisor) request for revisions to the document or how you want to proceed.

Thank you.

Regards,
